All-in-one Black and White Laser Printer ● ○

KEY FEATURES

Auto-Duplex Printing

- Stay productive with the built-in auto duplex printing engine. Save time, save paper and save the environment by printing double-sided documents

Built-In PCL Language

- The MF269dw II comes standard with PCL language, enabling the printer to work with a wide range of business applications

Greater Mobility Anywhere

- With Canon's latest mobile business solution, you can print documents, photos and web pages with just one app

---

BUILT-IN BUSINESS BENEFITS

Sized To Your Needs

The MF269dw II gives you the flexibility of printing on A5 and A6 paper sizes. The ideal companion to print invoices, flyer, business leaflets and reports.

Superb Print Speed

Better efficiency with Canon's On Demand Fixing Technology, the MF269dw II produces quality printouts at a rapid speed of 28 ppm.

One-Touch Solutions

A 6-line LCD touch panel gives you everything you need at a glance. For frequently accessed functions such as Paper Save Copy, ID Card Copy and Scan to PC, one-touch solution keys have been pre-configured to enable you perform these tasks with ease.

Scan and Share

Make full use of Canon's SEND technology for easier sharing and exchange of documents. Scan and send via email or shared folder directly from your multi-function printer.

Print From Anywhere

Be at the centre of soaring office productivity. Canon PRINT Business app lets you print and scan directly from your iOS and Android devices. With direct connection on the MF269dw II you can now work and print on the move with a suite of added solutions: Apple AirPrint™, Mopria® and Canon Print Service.

Prints Both Ways

Perform double-sided prints with duplex printing on the MF269dw II. This feature effectively saves your paper resources, and the environment. Enjoy even more eco-savings with the Sleep Mode, which works to minimise energy consumption when your printer remains idle for a period of time.
